

ID N:1530A Complex under construction in Varna, district Mladost

Complex consists of 2 buildings of 20 floors each with 195 apartments and a spacious underground parking lot with 150 underground and 250 above-ground parking spaces and garages. Located on a 10-acre plot, the complex will have a park for recreation and walking, a grocery store and spacious commercial areas for your business.

The complex is located in the Mladost district, which is preferred by many Varna residents. The area offers many amenities, such as a hypermarket, shopping centers, schools, kindergartens, a polyclinic and a developed transport infrastructure.
